

# Scout Troops Selling Tickets For Fourth Annual Breakfast

By **BILLIE ROBERTSON**

Our congratulations go out this week to Miss Donna Wolf of Halldale Ave. Donna has done it again. She was graduated with the highest associated student honor from the University of California, Santa Barbara College. She also was conferred the bachelor of arts degree in political science at the college. Donna has received so many awards they are too numerous to mention. Miss Wolf was also named one of the most outstanding women at the annual AWS banquet. She was awarded the honor copy of La Cumbre, the college yearbook. Good luck, Donna, you are tops in everything.

Our thanks go to the Children's Volunteer group at Harbor General Hospital. They presented the hospital with a wheel chair this week. I belong to this group and anyone who wishes to join this fine organization may call Miss Marguerite McAllister at FA 8-7385. Anyone wishing to contribute or donate magazines or books may bring them to the receiving gate.

I put my son Larry on the bus Friday evening for Missouri. If any of his friends want to write to him they may do so at Box 66, Enon, Mo. He would love to hear from all of his friends. He will be gone about two months.

I suppose some of you have been approached with someone selling red tickets. These tickets are for the fourth annual Scout breakfast held each year at the Jim Dandy market. The breakfast will be July 14 from 7 to 11:30 a.m. The money made off of these tickets send the Scouts to camp for a week. The boys selling the tickets are Troop 219 and 215. Actually the boys are not selling the tickets—the money is a donation.

Danny Kirks has gone and done it again. Proving himself a true salesman, Danny won for the third time in a row a top salesman for selling the most Scout-O-Rama tickets in the Los Angeles Harbor district.

Danny lives at 1661 W. 221st St. and is a member of Troop 241, sponsored by the Episcopal church.

Danny received for the prize an all-expense trip to Disneyland for himself and his family, which they took Saturday. He also will get a ride over the harbor area in a blimp. I would say that congratulations are in order again.

Mr. and Mrs. George Raymond Odom, 1646 W. 215th St., have announced the engagement of their daughter, Jacqueline Lorraine Krown, to Bobby Dykes, the son of Mr. and Mrs. Edgar San Souci of 21112 S. Harvard Blvd.

The couple will be married in February after Jacqueline graduates from school.

The wedding bells rang out last Saturday for one of the neighbor boys, Laurence Greiminger, of 1403 W. 215th St., took as his bride Loretta Lee Page of Torrance. They were married at the Nativity Catholic Church. After the ceremony a reception was held in the church hall. The couple will reside at 2026 Middlebrook Rd. in Torrance.

Normandale Playground had a carrom tournament, their first tournament for the summer vacation. The winners were (from 32 entries): first place, Nori Hanroka; second place, James Walsh; third place, Jimmy Ramirez.

G. E. Ball, assistant director, conducted the contest while Y. F. Hammatt was on vacation.

The second tournament, a checker tournament, was won by: first place, James Copeland, and second place, Wesley Lindsay.

The next tournament will be in table tennis July 9 to 14. All those who wish to enter may do so now.

The Charles Hamiltons of Flat St., who recently lost so much because of a fire, wish to thank all of those who have donated things to help them in their time of trouble. They have received many useful things.

A little boy came very near to losing his life or being hurt very badly last Saturday. Edward Gayman of 222nd St. ran out in the street directly in the path of a car. Luckily Eddie received only a bad cut and a concussion and spent only overnight in the hospital. Eddie's parents spent many anxious moments but are glad to know that he will be up and around again very soon.

On July 9th at Normandale Recreation Center, 224th and Halldale, the Traveling Telescope will be there. Dr. Alter of Griffith Park Planetarium will be in charge and will also show some slides. There is no definite time on this but the showing will be as soon as it's dark. Further information may be obtained by calling the center, FA 8-7385.

**ALL DRESSED UP . . .** Ready for program at final day of day camp held recently at Alondra Park are these Scouts from the North Torrance area. Left to right, sitting, Carol Everett, Priscilla Benedict, Patti Kilgore and Judy Odenthal wear costumes of various nations to carry out theme of camp, "Hands Around the World." Others, standing, are left to right, Diana Erdmann, Pamela Johnson, Sue Page, Patti Shrigley and Ricky Shinkle. More than 180 youngsters took part in the camp, sponsored by North Torrance Neighborhood Scout Assn.

## Sailor Sails For Overseas

William N. Williamson, seaman, USN, son of Mr. and Mrs. D. C. Gallagher of 1822 Schilling Dr. and husband of the former Helen LaFratz of 2529 1/2 Main St., Ocean Park, sailed from New York on June 18 for Bremerhaven, Germany.

He sailed on board the USNS Goethals, a Navy operated Military Sea Transportation Service transport.

## Japan Official To Tour Parks

A Japanese recreation official will tour Torrance's park and play facilities on July 27 and July 19 and 20 according to word received recently by Harry B. Van Bellehem, director of recreation and parks for the city.

N. S. Johnson, director of county recreation, said in a letter to Van Bellehem that Gochi Matsubara, executive secretary of the National Recreation Association of Japan, will be in this area until July 27 to view facilities. He will arrive in Los Angeles today.

## Work Experience Advisors Named

A group of community leaders recently met with members of the school district to form an advisory board for the high school Work Experience program.

Those who have volunteered membership in the work include the following: Paul Diamond, Paul Loranger, Don Paget, Dean Sears, Pat McGarry, Don Anderson, Ivan Morris, Sam Van Wagner, Tom Watson, Warren Hamilton and Lyale Albro.

Hamilton is the school district's representative to the group.

Plans were discussed at the meeting to conduct a community vocational service survey to determine benefits derived by students participating in the program.
